Completed Sep 18, 2026, 5:40:54 PM

Summary

Total	Critical	Serious	Moderate	Minor	Needs Review
0	0	0	0	0	10

No automatically detectable violations were found. Automated checks cover only part of WCAG, so manual testing with a keyboard and a screen reader is still recommended.

axe-core could not automatically evaluate 10 check(s) (for example, color contrast over an image). Review them manually.

Mobile Screenshot

This report was generated with automated checks (axe-core), which detect only a subset of WCAG success criteria. A report with no violations does not guarantee conformance; manual testing with a keyboard and a screen reader is still required.

Our story

Three goldsmiths and a bench

Aurelie began at a shared bench in a jewelry quarter. Three of us, one polishing motor, and a promise to use only recycled metal.

Every piece is cast, set and finished by hand. The stones come from two cutters we know, and every one can be traced.

The workshop is open on Fridays. Come and watch your ring being made.

The screenshot displays a mobile application interface for a jewelry store. The app features a dark theme with a bottom navigation bar. The main content area shows a list of jewelry items for sale, each with a product image, a title, and a price. The items include a gold ring, a diamond necklace, a gold bracelet, a red cord necklace, and a diamond bracelet. The app has a search bar at the top and a list of items below it. The bottom navigation bar includes icons for home, search, and other functions.
